

A new and exciting way to get your business noticed

The Western Wards Gazette is the best and most economical way to get your business noticed in central southern Hampshire.

The Gazette features news and views, events, clubs and societies from throughout the west of Fareham - Locks Heath, Park Gate, Warsash, Sarisbury, Titchfield, Titchfield Common and Whiteley.

An award-winning on-line newspaper, it has been a huge hit with young and old alike since launching in May 2011. With 17,000 page impressions and 7,000 unique visitors every month – and climbing – now is the time to advertise on The Gazette site at a bargain price.

Advertising rates start at £79 (+VAT) per month and that gets your artwork linking to your website. And with heavy promotion through social media you will soon see your own website traffic climbing.

Book Your Place

A banner across the top of all pages in rotation with a maximum of four other adverts for the whole of the month that you have booked.	£129+VAT for a month
A small banner next to the Gazette masthead on every Gazette page in rotation with a maximum of four other adverts.	£99+VAT for a month
A skyscraper down the length of a single screen on the right hand side. This will load in rotation with any other ads that have been booked for that slot.	£89+VAT for a month
The square shaped mpu ads on the home page and inside pages	£89+VAT for a month

Reporting

All adverts can link to your own website, include your phone number and email address and whatever else you want to include. We can provide a report for you at the end of the month to show how many impressions of your advert have been shown and how many times your advert has been clicked.

Please email to book a slot in this publication for an affluent and news-hungry part of Hampshire.
